In Memoriam

JAMES BRUCE STOTLER

For he who has departed from this world, we lament his passing; For we hear not anymore his voice, or his footsteps, nor see his smile; Nor can we clasp his hand in ours to greet him, for his bodily form is laid to rest.

Yet, through his spirit, we feel that he is still among us; For where there is brotherhood, as was with him, there is never a parting of true friends.

That he served his country well, was loyal to his brothers, we all knew; For he was good to his fellowmen, whom he loved.

We pray to God that his soul may have eternal peace and happiness, and that we shall meet him again when we shall all stand before the throne of the Almighty awaiting that final judgment.

Brothers of Kappa Sigma Kappa

A MAN CAN GROW

—And Keep On Growing

WITH OWENS-ILLINOIS GLASS COMPANY

Ours is a growing company—and we can grow together in fields where a man has ample opportunity and room to carve out a satisfying life-time career.

We offer you stability that is inherent in the business of manufacturing and distributing a variety of goods, continually being broadened by the development of new products reaching new markets.

You can enjoy the advantages that come from association with a company which is outstanding in reputation and prestige in its field.

You can benefit from a training program that has proved its worth to a large number of young men during the past several years as we have expanded our operations.

You can have the security to be found in an organization where men stay and grow with a growing company, where there are liberal life and health insurance plans, and solidly established retirement plans.

OWENS-ILLINOIS GLASS COMPANY LINES INCLUDE:

Duraglas bottles and jars • Closures
Plastic containers • Plastic fitments
Corrugated paper shipping boxes
Multiwall bags • Kraft paper for boxes
Glass television bulbs • Glass tubing
Glass rod • Electrical insulators
Laboratory glass • Vials • Ampuls
Libbey Safedge tumblers and stemware
Glass block • Hardwood panels and doors

We are interested in qualified young men with either technical or non-technical backgrounds for training in sales, production management or general engineering. We invite those interested to write directly to:

Director, Selection of Specialized Personnel
